

### Birmingham Edgbaston RISK ASSESSMENT Tuesday 24 March 2020

The Oxford and Cambridge Student Conferences are Outreach and Student Recruitment events run collaboratively with the University of Cambridge. The Edgbaston event is attended by up to 2000 year 12 students and their teachers, and the conference sessions are run across various rooms in the venue, with students moving between rooms depending on the talk which they wish to attend. Attendees arrive between 9am and 10am, sessions begin at 10am, and the majority of attendees will leave after the final session ends at 3.35pm.

<b>Activity / Area of Concern</b>  i.e.: what is taking place as part of the event?	<b>Hazards Identified</b>  i.e.: what can cause harm?	<b>Persons at Risk</b>	<b>Current Risk Factor</b> (high, medium or low)	<b>Actions to be Taken to Minimize each Risk</b>	<b>New Risk Factor</b> (high, medium or low)  i.e.: risk factor after action taken to minimize the risk
<b>Travel to the event</b>	Risk of injury caused by Road Traffic Accident	Bus driver Event (UAO and CAO) staff Academics Ambassadors	Low	Bus booking is to be arranged through a reputable company, and bus drivers must adhere to government guidance on breaks and daily driving limits as outlined at <a href="http://www.gov.uk/guidance/drivers-hours-passenger-vehicles/1-eu-and-aetr-rules-on-drivers-hours">www.gov.uk/guidance/drivers-hours-passenger-vehicles/1-eu-and-aetr-rules-on-drivers-hours</a> .  CAO have a travel risk assessment which should be referred to for further information.	Low
<b>Delivery of materials</b>	Lorries on site	Delivery staff Venue staff	Low	Deliveries of event materials to be made by Monday 23 March 2020, to a designated entrance away from pedestrians.	Low
<b>Set-up and breakdown of event</b>	Risk of injury due to improper lifting/carrying.	Event (UAO and CAO) staff Ambassadors	Medium	Staff and ambassadors to read manual handling training document before working on the event.	Low
	Risk of injury from banner poles during setting up of banners	Event (UAO and CAO) staff Ambassadors	Medium	Inexperienced staff and ambassadors to be provided with assistance with banner set-up. Staff and ambassadors to be briefed to be mindful of the space around them when setting up banners, to ensure that it is safe to set up.	Low
<b>Overcrowding of venue</b>	Attendees blocking areas on arrival or while moving between sessions could cause injury or block fire escapes.	Event (UAO and CAO) staff Academics Ambassadors Exhibitors	Medium	Entrance and corridors to be monitored by venue staff and ambassadors/event staff, to guide attendees out of blockages.  Movement within venue to be marshalled by student helpers.	Low

## Student Conferences

				<p>use for the event (such as the exhibition area which closes at 2.45pm). Prospectuses, personal belongings and other items are to be stored safely and as securely as possible. Importance of clear corridors and access/egress routes to be emphasised to ambassadors during pre-event briefing.</p> <p>Any uneven or damaged surfaces must be appropriately highlighted, usually by means of a physical barrier or hazard tape to warn others of the risks until it can be suitably repaired or replaced.</p> <p>First aid procedures are a part of Ambassador training, and trained first aiders are provided by venue on site and are contactable throughout the event should basic first aid be required. Incidents will be reported following local venue procedures.</p>	
	Risk of tripping on wires or cables.	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low	<p>Trailing cables and equipment are to be secured by the external AV team.</p> <p>Pre-event venue walkthrough by Oxford and Cambridge staff to include assessment of safety of wires/cables provided by venue.</p>	Low
	Risk of slipping on spilled food or drink.	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low	All spillages are to be reported to the venue immediately so that they can be dealt with as soon as possible. If signage is not available to warn people of the spillage before it is cleared up, an ambassador or staff member will perform this function in the interim.	Low
<b>Fire risk</b>	Risk of fire	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low	Staff and ambassadors are to ensure aisles and fire exits are kept clear, so that evacuation can take place safely and efficiently if necessary. Rubbish is to be collected regularly and disposed of correctly by venue staff. Event staff and Ambassadors will liaise with venue staff in order to facilitate this.	Low

## Student Conferences

<b>Evacuation</b>	Risk of panic caused by the need to evacuate	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low	<p>All staff, ambassadors and exhibitors to be made aware of evacuation procedures and assembly point. Ambassadors/exhibitors to be briefed on the procedure.</p> <p>Fire assembly point details to be clearly available for attendees, and covered in the first session of the day.</p> <p>Evacuation procedures outlined to University staff via Edgbaston Stadium briefing document</p>	Low
<b>Terrorist activity</b>	Risk of terrorist activity due to being in a crowded space at a high-profile event	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low	<p>As a “Designated Sport Ground” and recognised “Crowded Place” the club maintains regular contact with West Midlands Police and the designated “Counter Terrorism Advisors” dedicated to this area. They are constantly reviewing their policies and methodologies to ensure that any measures that they have in place are designed to meet the current National Threat Level and ensure the safety of their staff, contractors and visitors so far as is possible.</p> <p>Venue staff will be able to reach senior Oxford and Cambridge staff throughout the day to communicate any risks/procedures necessary.</p>	Low
<b>Equipment and electrical failure</b>	Risk of injuries to those using or working with electrical equipment.	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low	<p>Equipment (whether provided by the venue, the AV providers, or either University) is to be well maintained and in a good state of repair.</p> <p>Where equipment requires statutory inspection, this is to have been carried out according to the required frequency and documentation is to be available.</p> <p>Equipment should be visually inspected prior to use to ensure that it has not been damaged and there are no obvious defects.</p>	Low

# OXFORD & CAMBRIDGE

## Student Conferences

<b>Extremes of weather</b>	Risk of physical discomfort caused by waiting outside event at start or end of day if weather is set to be windy/rainy/cold.	Event (UAO and CAO) staff Ambassadors Exhibitors Attendees	Low/ Medium	<p>Staff, ambassadors and exhibitors to be briefed to bring warm clothing and layers.</p> <p>Attendees to be informed of need to bring warm clothing in pre-event communications.</p> <p>Temperature should be regulated by correspondence with the venue throughout the event. If room temperature needs changing then this message should be passed on to the Event Organiser (by the ambassadors or other staff member) so that venue staff can be contacted.</p>	Low
	Risk of overheating or dehydration if weather is hot	Event (UAO and CAO) staff Academics Ambassadors Exhibitors Attendees	Low/ Medium	<p>Water to be available to staff, ambassadors and exhibitors throughout the event, particularly if the weather is hot. This should be brought to the event with the staff, to ensure that there is enough available on the day.</p> <p>Attendees should be informed of the importance of bringing water with them in pre-event communications.</p> <p>Water should be available in bathrooms and from hydration points in the main concourse.</p> <p>Temperature should be regulated by correspondence with the venue throughout the event. If room temperature needs changing then this message should be passed on to the Event Organiser (by the ambassadors or other staff member) so that venue staff can be contacted. Some rooms, particularly those of more popular subjects, may be full, resulting in a stuffier atmosphere which may be unpleasant for attendees/exhibitors. Windows should be opened where possible, if air conditioning is unavailable.</p>	Low
