

Start Date:
Monday 24 February

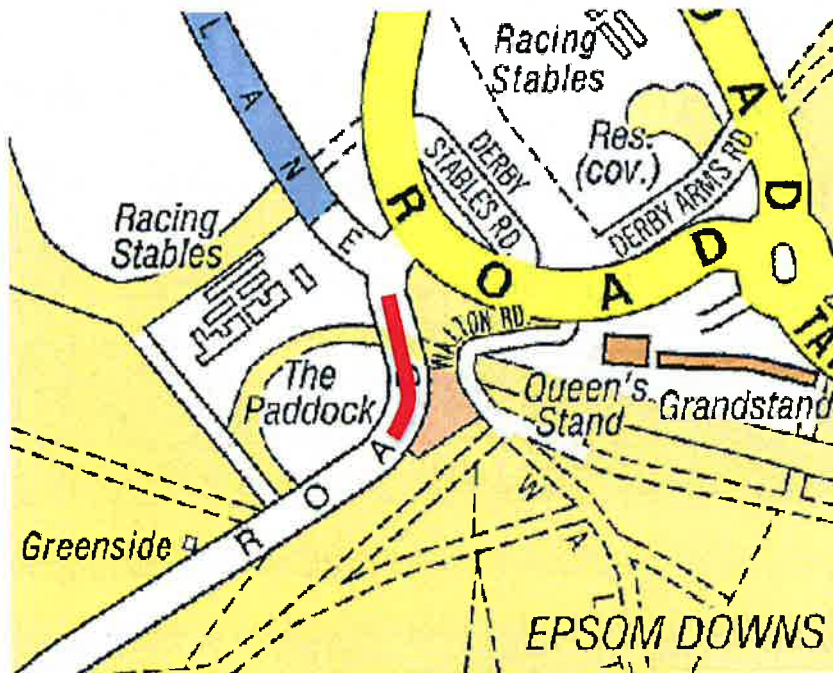

Duration:
8 weeks
Two-way lights

Please look out for advance warning signs on site for any date changes or check one.network and @EpsomLC on Twitter and Facebook.

What we are doing

We are carrying out essential concrete repairs on Epsom Bridge and retaining walls on Langley Vale Road, Epsom Downs.

We will be replacing the deteriorated concrete areas to extend the life of the bridge.

Works area: 

Information for residents and businesses

Langley Vale Road will remain open with two-way traffic lights in place 24 hours a day, 7 days a week for the full duration of this scheme.

The lights will be manually controlled between 6:30am and 7pm Monday to Saturday to minimise congestion, balance queues and avoid clashes with the traffic lights on Ashley Road.

Due to the narrow width of the road, we do not have sufficient space to maintain pedestrian access through the works area safely.

Access for pedestrians will be maintained at all times via a signed diversion.

Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

The line on the map opposite displays the area we will be working in.

Delays in work

Our work is sometimes delayed by bad weather. We will keep you updated on any changes via the advance warning signs.

Noise

There will be some noise but we will try to keep this to a minimum.

If one of our signs has been left behind, please help us by reporting it - www.RemoveThisSign.com
